Dear Mr Können,

Polarized Light in Nature
Print ISBNs:

9780521258623

Following your recent correspondence with Kevin Taylor, I am writing to confirm that English language rights originally granted to the Press Syndicate for the above title by W. J. Thieme et cie, now revert to you, as you control English language rights in the work in place of W. J. Thieme et cie.

The Press Syndicate retains rights in the typographical arrangement, that is, should another publisher wish to photograph our page to save on typesetting costs they will need to contact us for permission and we would charge them a small offset fee.

If you have any queries regarding this reversion please do not hesitate to contact me.

Yours sincerely,

Svetlana Shadrina
